

Newsletter

February 2010

The **March Faculty Lunch at the Ropp** will be: Wednesday, March 17, from 12:30 - 1:30 p.m. and our topic will be: ***Communication***! Learn how to get your message across in three easy steps that effectively communicate your ideas!

Questions? Want more information about the **ADVANCEing Faculty Program**? Contact the Office for Women in Science and Engineering (OWISE) at:

advance@latech.edu

call us at 257-2101, or check out our website at:

<http://www.advance.latech.edu>

Upcoming Events!

Our first **Distinguished Lecturer, Dr. Lori Bruce**, Associate Dean for Research in the College of Engineering at Mississippi State University, will be on campus **April 8**. Dr. Bruce will be giving a Today's Engineering and Science Leader lecture for undergraduates, and meeting with women graduate students and faculty, as well.

We will be kicking off the **Executive Coaching Program** in March — let us know now if you are interested in participating this year (**March 2010—February 2011**). We will repeat this program each year for the next three years. Executive Coaching is ideal for mid-career faculty and focuses on career planning and goal setting.

Our **Career Networking Program** will kick off **Spring Quarter 2010**, as well. Funds will be available to support activities such as bringing researchers to campus, visiting potential collaborators at other campuses, meeting with potential funding agencies, participating in key workshops, etc.

WEPAN Knowledge Center

Check out the **WEPAN Knowledge Center** online database of resources, reports, data, statistics, profiles, best practices and materials focused on advancing women in engineering and science. "What's New in the Knowledge Center" lists the newest resources. Resources are annotated, have full bibliographic information, as well as a link to direct you to the resource.

COES Mentoring Program

We will offer COES Mentee Seminar one last time before we kick off the **COES Mentoring Program**. Be sure to sign up if you are interested in participating in the COES Mentoring Program but weren't able to attend the previous training sessions. Just call the OWISE Office at 257-2101 or e-mail us at advance@latech.edu to sign up. You can check out the Mentoring Workshop materials on the ADVANCEing Faculty website.
