Check out these Programs!

The **ADVANCEing Faculty Program** has funding for a number of programs to support and advance your career. Be sure to take advantage of these great opportunities:

- **Grant Pre-Review Program** — pays for a valuable pre-review of your federal grant proposal
- **Mentoring Program** — provides ongoing professional development
- **Executive Coaching Program** — provides targeted goal-setting and career planning

Check out the **ADVANCEing Faculty** website for more information or to sign up for any of these programs! We will be rolling out the **Career Networking Program** and the **Distinguished Lecturer Program** soon!

Online Evaluation Resource Library

This **web-based resource** is “for professionals seeking to design, conduct, document, or review project evaluations.” The site features sound evaluation plans, instruments, and reports for past and current NSF projects that can be used in your proposal and project preparation. OERL also includes professional development modules that can be used to better understand and utilize the materials made available.

Check it out on the web at: <http://oerl.sri.com/>

COES Mentoring Workshop

We had a great turnout for the **COES Mentoring Workshop**. If you are interested in participating in the COES Mentoring Program but weren't able to attend the workshop, *its not too late!* We will have an additional training session for mentors and for mentees soon. Sign up by calling the OWISE Office at 257-2101 or e-mail us at advance@latech.edu. You can check out the Mentoring Workshop materials on the ADVANCEing Faculty website.

The **February Faculty Lunch at the Ropp** will be: Tuesday, Feb. 23, from 11 - 12 noon and our topic will focus on:
Communication
 Learn how to get your message across in three easy steps that effectively communicate your ideas!
